Expansions Under Way At Two GC Industries

**\$80,000 Storage Annex
At A. O. Smith; Gen'l.
Steel Erecting Two**

Industrial expansion projects for which building permits were issued this week include a storage annex at A. O. Smith Corp., to cost \$80,000 and two buildings at General Steel Industries to cost \$191,000.

The A. O. Smith plant annex is to expand the steel storage building to permit a conversion to use of steel coils instead of sheet steel, which the firm purchases from Granite City Steel Co., according to Anthony Frick, personnel director. At General Steel, the two buildings are a part of the program of the local plant taking over operations of the Edystown, Pa. plant.

General Steel is building a heating and treating building for industrial castings to cost \$105,000, and an addition to the core room to cost \$86,000. Both structures are to be of corrugated iron. The core room will be 64x100 feet and 31x100 feet and will include a lean-to.

The heating-treating building will be attached to the core room and will be an extension of it. It will be 20x34, 25x34 and will be 41 feet high. General Steel is using its own engineers on the projects.

The addition at A. O. Smith will be 100x28 feet and the contractor is G. H. Sternberg & Co.

In changing from sheet steel to Granite City Steel Co. coils, the firm said the present steel storage building at A. O. Smith will be used for processing coils, which will go onto four production lines being operated two shifts to make auto frames for Chevrolet Division, General Motors. The annex will add about 60,000 square feet of space to the plant.

Building permit fees to the city amounted to \$536.

GC Post Office To Receive Award For Maintenance

Postal employees at the Granite City post office have been selected to receive the postmaster general's citation for excellence for outstanding maintenance and care of its facilities, according to word received yesterday from Congressman Melvin Price at Washington.

Price commended the Granite City post office, and his workers for "maintaining their buildings in such a superb manner that the facilities provide a clean, attractive and pleasant place in which the public may conduct its postal business."

Postmaster General John A. Gronouski said that the citation is awarded only to communities where post offices have received superior ratings in inspections made by regional post officials.

The Granite City post office was opened last November.

**13 Persons Hurt In Wave
Of 23 Crashes This Week
To Be Cut May 1
For Big Users**

Injuries were suffered by 13 persons in nine of 23 traffic mishaps occurring this week in and near the Quad-Cities area.

Four passengers on a Bi-State Transit bus claimed injuries as a result of a traffic accident which involved a car driven by Albert Zamorani, 48, of Collinsville, at 5:40 p.m. Tuesday at 19th street and Grand avenue.

The four were gone when police arrived, but one of them, Paula Baggett, 2035 Cleveland blvd., returned and then went to St. Elizabeth Hospital with a pain in the hip area. She was given treatment and released.

The others were identified as Florence Lee, 2621 Logan avenue; Lloyd Fields, 3349 Denver street; and Janice Cox, 2130 Dewey avenue. The driver of the bus was Richard H. Jones, 27, of 2817 National avenue.

Zamorani, headed north on Grand, had a stop sign and was charged with failure to yield the right-of-way. The bus was going west on 19th street. The right front of the car and the left front of the bus were damaged.

Suit Filed To Clarify Title To Bank Property

Suit was filed in the circuit court at Edwardsville Monday by the Granite City Trust & Savings Bank, seeking court confirmation of ownership of 12.88 acres of land conveyed by Harold W. Kronsheim, included in an 85-acre tract later conveyed to the American National Bank for its site on Fehling road, Feb. 23, 1959, and property leased to the Standard Oil Co. April 7, 1959.

Defendants are Mr. and Mrs. W. J. Steele as trustees for the estate of Henry Fehling, who died Sept. 8, 1910.

Also mentioned in the suit are six Fehling heirs whose potential right to property west of Fehling road is being opposed—Amos H. Rode, Esther A. Clemons, Henry Rode, Charles Rode, and Mrs. Rose Ann Bothman (widow of former City Clerk Wesley Rode) and Frederick Lester Fehling. All are grandchildren of Henry Fehling except Mrs. Bothman, who is a granddaughter.

Kronsheim and his mother, Mrs. Frieda Kronsheim, a daughter of Henry Fehling, have an interest in the bank's legal title which hinges on whether Kronsheim received a vested interest from the Fehling will or only an interest if he survives his mother.

A similar legal point was involved in Kronsheim's successful request for an Aug. 2, 1963 county court ruling that the bank has an interest in the Coolidge junior high school campus that was condemned in 1953. This ruling is being appealed by the school district.

The Harold Kronsheim part in the school property has been conveyed to Judge Fred Schuman, his attorney in the 1963 case, county records show. The suit would clarify legal title which hinges on whether Kronsheim received a vested interest from the Fehling will or only an interest if he survives his mother.

Passenger Hurt

Dorothy L. Johnson, 16, of 1311 (rear) Iowa street, was injured in an accident involving a car driven by Delia A. Schott, 44, of the same address, and Joseph D. Robinson, 43, of Bend road, at 4:08 p.m. Tuesday at 1357 Madison avenue.

The girl was treated at St. Elizabeth Hospital for injuries to her right leg and was released Wednesday morning.

Robinson was pulling out of a driveway and did not see the Johnson car traveling south on Madison avenue, police said. The right fenders of both cars were damaged.

John Washenko, 55, of 2020 Meridian street, was reported injured in a car accident at 7:15 p.m. Monday in the 2400 block of Madison avenue. There was no report of tree avenue.

Fricker said a former sanitation worker, Tunis Bakken, is acting humanely while the regular driver, Scott Gray, is recuperating at home from a neck injury suffered Feb. 4 in the 2400 block of East 28th street where he was struck by an auto while picking up a dead

**County Rate 17 1/2 Cents

Valuations Reduced**

Tax rates are being compiled for individual taxing agencies throughout the county but it will be two weeks or more before those for Quad-City taxing bodies are completed by the tax staff office of Miss Eulalia Holt, county clerk.

Final assessment figures for local townships, including state railroad and capital stock valuations were announced this week at Holt's office and showed decreases for Quad-City area townships with the exception of Chouteau.

The new assessed valuation for the city-township of Granite City is \$149,036,433, down \$3,006,455; while in Venice township the rate is \$2,982,866 from the \$80,820,473 valuation for 1962 placed the 1963 figure at \$8,427,467.

In Nameoki township, the valuation was reduced to \$28,435,809, or by \$1,748,361 from the 1962 figure of \$30,184,170. Chouteau township has a new valuation of \$21,838,412 up \$63,900 from the previous figure of \$21,774,512.

County Valuation Down

The current assessed valuation for the entire county stands at \$824,260,034, lower by \$2,739,287 than a year ago.

Assessments have not yet been determined for school districts.

Carl Mathias, manager of the local office, said the rate reduction is the second in two years. In July 1962, Illinois Power Co. was granted a \$1,200,000 reduction for electrical rates for residential customers.

"The reductions are largely the result of increased usage by customers, increased efficiencies from our generating and transmission facilities and certain other economies in operations," Mathias said.

"Our last rate reduction was largely to the benefit of residential customers. This new rate reduction mostly benefits commercial and industrial customers in bringing new industrial customers."

May Attract New Industry

"We have hopes that the new rate schedules will prove an incentive in bringing new industrial customers."

Monday Through Friday

Granite City's new dog pound, located on Route 3 (formerly 674) now is open regularly for two hours daily, five days a week, it was announced by Jack Fricker, city inspector.

The city humane officer will be there from 9:30 to 10:30 a.m. and 2:30 to 3:30 p.m. each day, Monday through Friday for owners to claim pets that have been picked up.

The new dog pound is located across the highway from the Rice

**Hasty Selection
Can Be Disastrous**

A Granite City woman buying valentines this week congratulated an acquaintance Tuesday who was buying his wife's card early.

Last year, she recalled, her husband had made a last minute Valentine Day rush trip to a store to buy a "box of candy and a card."

"It was nice, and he was thoughtful," she said, "but when I looked at the card I just had to remark to him, 'since when am I your secret pal?'"

**Registration Centers
For Voters Set In Area**

A special voter registration center will be open from 10 a.m. to 7 p.m. Saturday in the recreation room of Anchorage Homes, 2909 Edwards street, where Eulalia Holt, county clerk, announced yesterday.

A special center also will be in the State Bank building from 8 a.m. to 5 p.m. March 7.

A deputy registrar from Holt's office will be at the two centers to accept new registrations or change of name, or change of address.

March 16 is the last day before the April 14 primary election for voters who have not previously registered to do so at the county clerk's office in Edwardsville or at a special center. It also is the last day for reporting to the county clerk any changes of address or change of name by marriage or court orders.

Change of address may be done by mail by noting the date of moving and the new address on the back of the voter's certificate of registration. In case of lost registration cards, duplicates can be issued only out of the county clerk's office.

An order was issued Monday night for Granite City policemen doing outside work such as job building trades classification, to quit those posts, it was announced by Eugene Elberg, president of the board of Fire and Police Commissioners.

The order involved only one policeman, it was reported by Chief Willard.

The meeting of the three commissioners, Elberg, Willard and Robert E. Spengler, was the first of its kind to be held in a number of years and was called by Elberg.

"We had a general gripe session, and the board will now take up some of the suggestions, such as possible elimination of the Sam Brown belts and other uniforms," Elberg said.

**Eagle Park Water
Service To Begin
Next Tuesday**

A ceremony to begin water service at the new Eagle Park school at this time, Board Member Monroe Worthen said it may be held at 10:30 a.m. Tuesday at the home of Mr. and Mrs. William G. Givens, 202 West 1st road, Eagle Park, the first family that will receive the service, according to the Eagle Park Area Improvement Association.

Johnnie E. Givens, 40, of 2800 Madison, urged all families in Eagle Park who have paid the \$103 required water deposit to make their \$15 meter deposit with the East St. Louis & Interurban Water Co., 1839 Delmar avenue, before the program planned at this time. He added that if the \$103 hasn't been paid yet residents could pay it at the First National Bank in Madison during the Johnson water main when fully completed will be 16,000 feet in length and will cost \$2,885 to the city families that live in Eagle Park.

Members of the Horseshoe Lake State Park Commission met last night at the Granite City Trust & Savings Bank board room to hear reports and an outline of the Rend Lake Conservancy district presented by Howard Mendell, Benton, manager of the district.

Other guests were Theodore Mikosell, director of the Southwestern Illinois Metropolitan Area Planning Commission, Dr. William H. Hildinger of the SUI Carbonade staff.

H. D. Karandeff, chairman of the commission, said the meeting was called to hear committee reports on studies to develop the lake area as a state park. Another meeting will be held next month.

A dinner preceded last night's meeting.

C. E. Townsend Cited For Helping Museum

C. E. Townsend, editor and publisher of the Press-Record, today received a certificate of appreciation from the Madison County Historical Society for his efforts in helping establish a permanent historical museum for the county.

Treving Dillard, chairman of the museum committee, said the purchase of the 127-year-old Weir house at 715 North Main street in Edwardsville, has been accomplished through the devoted interest of a small group of individuals including Townsend.

The society is currently remodeling the old residence to house historical items now kept in the Madison county courthouse.

Mitchell Water Board Defers Vote On Bids

Directors of the Mitchell public water district have deferred action on bids for construction of an office-garage building after all six bids went well over the estimated \$30,000 cost.

The board considered the bids at a meeting Tuesday night, then decided to study the matter until a special meeting at 8:30 p.m. Feb. 24 at the district's offices, 909 East Chain of Rocks road.

Lowest bid was \$36,810 by the L. Wolf Construction Co., Granite City. Others were: G. H. Sternberg & Co., Granite City, \$37,041; Cannon Construction Co., Wood River, \$38,200; R. & R. Construction Co., Alton, \$38,500; M. H. Wolfe Construction Co., \$39,970 and Ray Homola, Mitchell, \$43,992.

Architect Virgil Dulgeroff said alternates in the bids may enable the board of directors to make changes in plans for the building. Mrs. Helen Roman, clerk, said a jury setting is still to be built on East Chain of Rocks road.

Hearing Set Tomorrow For Deputy Sheriff

A hearing on a petition filed by Mrs. Dorothy Petrillo for Sheriff, to show cause for allegedly being in arrears \$275 support payment for three children is set for 1:30 p.m. Friday in the circuit court in Granite City.

Judge Fred P. Schuman will preside. Mrs. Helen Roman, clerk, said the hearing is scheduled for the court next week.

Trojans Thwart Warriors' Late Rally

MHS Cops 64-55 Win In Annual Battle; Both Squads In Games Tomorrow Night

Granite City's Warriors saved their best hit last, but it wasn't good enough.

And so, despite a lively fourth-quarter comeback, the Warriors had to swallow a 64-55 loss to the Madison Trojans in the annual inter-city battle Tuesday night at the Madison high school gymnasium.

The triumph was the ninth in a row for the Trojans, who return to Midwestern Conference play tomorrow night at Highland. They lead the league with a 7-0 record and stand 13-3 overall.

The Warriors (12-9) have a non-conference game tomorrow night at Quincy, and will play Madison tomorrow night at Highland.

The capacity crowd of about 1300 had little to get excited about Tuesday night until the Granite City players, which brought the Warriors to within three points of catching the Trojans in the last quarter.

Before that, the Trojans dominated play and held a 34-18 halftime lead and a healthy 43-31 edge after three quarters.

Bill Carries Trojans

A splendid performance by Cecil Bell, 6-2 senior strongman, was the main factor in Madison's success. He scored 28 points, hitting 11 of 15 field goals.

Madison made 22 of 40 field goal attempts, including six or six in the last quarter, for 55-44. Granite City made 21 of 53 or 40%, including 10 for 17 in the last stanza.

The Trojans were, of course, reluctant to shoot in the fourth period—preferring to run out time on the determined Warriors.

In the first half, the Trojans hit on 13 of 24 shots and utilized a clinging press defense to harass the visitors. Granite City was able to make only six of 25 shots in the first half.

The Warriors won the junior varsity game 55-48 with Lybarger scoring 19 points and Larry Ripka hitting nine. For Madison, Mike DeYoung had 11 and Vic McLaughlin and Alton Rendell had 10 each.

As his team fell behind in the first half, Sullivan sent in reserves Joe Hiles, Jerry Lybarger and Elton Hall, trying to find a combination that would click. Lybarger, who has been sick, played about three quarters.

Trojans Hit 55%

Madison made 22 of 40 field goal attempts, including six or six in the last quarter, for 55-44. Granite City made 21 of 53 or 40%, including 10 for 17 in the last stanza.

Two of Bell's field goals spoiled Granite City's hopes in the fourth quarter. After Jim Cant sank two free throws to bring the Warriors to within three (54-51), Bell hit two straight shots to boost the Trojans' lead to seven points with just over two minutes left in the game.

A large number of personal fouls plagued both teams, but Madison suffered a severe blow with just a minute and 40 seconds gone in the first quarter. Paul Lusk, the Trojans' 6-2 (and still growing) sophomore star, hurt his right knee after leaping for a high pass.

He was out of action for the night, and the Trojans lost his rebounding, particularly. There is great concern that Lusk's injury might hold him out of competition in the remaining four regular season games and the Wood River regional tournament.

Coach Earl McClanahan said Lusk has been bothered with inflammation of the knee earlier in the season.

Six Pout Out

Six players—three on each team—fouled out of the game in the fourth quarter. The three Granite City players were first, and Coach Andy Sullivan pointed to this as a key factor in killing his team's late rally.

Larry Lilley, the Warriors' leading scorer this season who was held to 14 points in the game, was disqualified with 4:30 remaining. Jim Warren, who had 17 points, followed five seconds later and Vince Debevoise, third high with seven points, fouled out with 3:20 left.

For Madison, John Summers (15 points) went out with 3:15 left; Gary Stokman (four points) made his fifth personal with a minute remaining; and Elton Hayes Wright (two points) left in the last four seconds.

Fifty personal fouls were called in the game—24 on Madison and 26 on Granite City. Both teams, however, were cold from the foul line, with Madison making 20 of 35 and Granite City hitting 13 of 23.

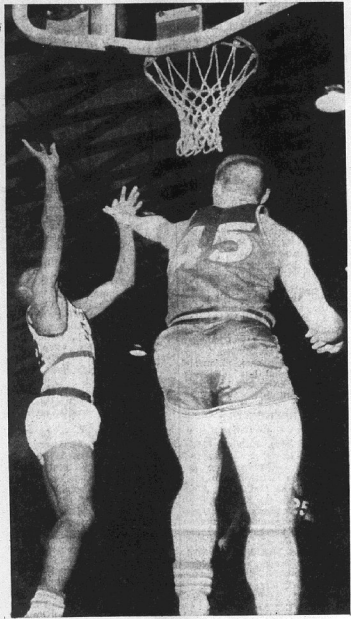

Prather Eliminated In Roxana Tournament

Webster of Collinsville eliminated Prather of Granite City, 64-42 in the first round of the Madison County Junior High School Conference Tournament Monday night at Roxana.

Leading scorers for Prather were Dan Partney (16), Jim Reader (10) and Don Rains (8). The Chiefs ended their season with a 2-11 record.

Webster advanced to meet another Granite City team, Coolidge, tonight. The third-place and championship contests are tomorrow night.

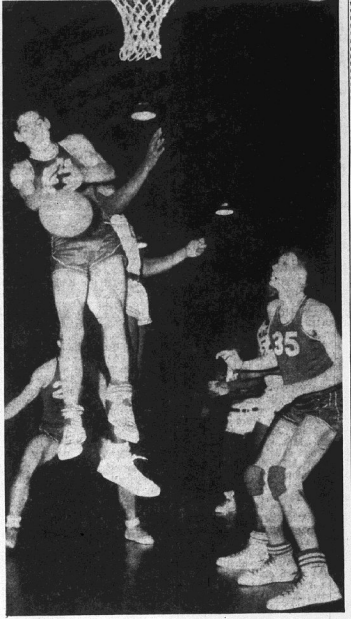

Roxana is the tournament favorite, having won the conference title with a 9-1 record. Coolidge was second at 8-2, followed by Webster (7-3), Highland (6-4), North of Collinsville (1-9) and Prather (1-9).

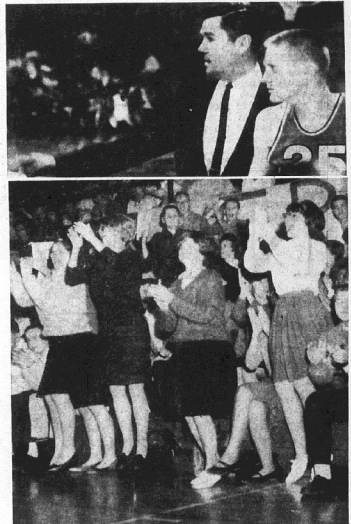

KEY FIELD GOAL is scored by Cecil Bell of Madison (left photo) against Granite City Tuesday night. Trying to stop Bell is Joe Hiles (45) of the losing Warriors. Two-pointers gave the Trojans a 58-51 lead in the game's closing minutes. The Warriors' Larry Lilley (right photo) leaps high in trying to grab an elusive rebound at Madison's goal in the third quarter. Jumping behind him is Alton Rendell of the Trojans and at right is Jim Cant (35) of the Warriors.

INJURED IN OPENING Two minutes of the game was Madison sophomore Paul Lusk (left photo), being helped to the dressing room by worried Earl McClanahan, head coach at left, and Bob Page, assistant coach at right. Lusk suffered a knee injury while working through the night. In the exciting fourth quarter, Granite City mentor Andy Sullivan

Second Baptist Takes Church Championships; Playoffs Scheduled

Second Baptist took the basketball championship in the Church League with an 81-48 victory over Trinity Tabernacle Monday night at Coolidge Junior high school.

The team finished with a 9-1 record. Leading the triumph were Charles Chapman and Finn with 20 points each, Norm Grote 17 and Jim Grote 12. Carl Main with 20 and Roy Roberts with 12 paced Trinity.

Venice Methodist, last season's champion, finished second by downing Tri-City Park 55-44 as Neil Ebersold scored 19, Jim Hornum 10 and Bill Black 13. Don Dillard hit 20 for Tri-City.

St. Joseph's trimmed Suburban Baptist 65-20 as Anthony Bodie scored 31 points, Bruce Province had seven for the losers. The league playoffs for the top four teams open Monday with Tri-City and Second Baptist meeting at 7 p.m. and Venice meeting St. Joseph's at 8:15 p.m. at Coolidge. The winners will play for the title on Monday, Feb. 24.

Fouls Hurt GC Sophs In Loss To Belleville

Five Granite City sophomores fouled out Monday night in an 87-77 loss at Belleville. The setback was only the young Warriors' second in a dozen games. Elmer Wortham, Dana Lakatos and Mike Pritchard all were disqualified in the third quarter

Fracture Stops EIU's Saltich

(Special from Charleston)
Eastern Illinois University guard Jack Saltich, Granite City junior, will be out for the rest of the season with a fractured hand suffered against Central Michigan. Coach Bob Carey of the Panthers said that Saltich's loss will hurt the team in its four remaining games.
Saltich was third in scoring for the Panthers with 190 points in 19 games for a 10-point average. He was the leading free thrower on the squad with a 76.2 percentage, having hit 48 out of 63 from the charity stripe.
Saltich injured his hand in the second half of the Central Michigan game when he attempted to save a ball from going out-of-bounds. He knocked the ball against a Central Michigan player, causing it to come back and hit his hand. He remained in the game for some time after the incident.

St. Bartholomew's Will Meet Holland In Playoff Battle

St. Bartholomew's upset Holland Asphalt 59-48 Tuesday night at Coolidge Junior high school to tie that team for first place in the High School League's Eastern Division. Both ended the regular schedule with 8-2 records.
Bud Bolten's 17 points topped the winners, with Larry Sykes adding 16 and Lloyd Watts hitting 12. Jim McDonald had 20 for Holland. The two teams will play to decide the championship at 2:15 p.m. Sunday at the Community Center.
Twilight Optimist won a forfeit victory over Delmar Shoppe and will meet the winner of Monday night's Triple A-Bellefonte Title game at 1 p.m. Sunday to decide fourth place. The top four teams will then start post-season playoffs Monday night.
In last night's game, McDonald scored 13, Norm Wilfong 10, Vance Lockridge and Don Patrick hit nine each for Triple A.

St. Bartholomew's tripped Delmar Shoppe 47-42 as Sykes scored 20 and Watts 11. Keith Wilson had 16 and Bobby Yates 11 for Delmar. In the other game, Bellefonte Title Twilight Optimist 44-24 as Norm Wilfong scored 15 and Dennis Johnson 14. Robert Martinez had 14 for the Optimists.

Madison Eighth Graders Finish With 13-0 Record

Madison's eighth graders completed their season Tuesday afternoon with a 47-33 victory over Edwardsville at the MJHS gymnasium. The team finished with a 13-0 record.
Gary Lusk popped in 34 points all but 13 of Madison's total. Dallas Thompson added six.

Matmen Enter District; Finish With 16-1 Mark

Another district wrestling championship is the aim of Granite City's Warriors as they prepare to enter Saturday's meet at Wood River.
The local high school matmen have won every district since the tourney was originated in 1958. Individual champions will advance to the sectional at GCHS on Feb. 22.
Saturday's first-round starts at 1 p.m. with the semifinals at 3 p.m. and the finals at 7:30 p.m. Entered are Granite City, Wood River, Edwardsville, Bellefonte Civic Memorial, Roxana, Highland and Alton Western Military Academy.
The wrestlers finished their dual meet season Tuesday afternoon with a 31-7 victory at Normandy, Mo. The setback ended a string of nine triumphs by the Vikings.
The team's 16-1 record is identical to the dual meet mark posted by last season's team. However, Coach Bill "Red" Schmitt said the current squad will likely lose more individual bouts than any other squad in his 14 years as coach.
"We've already lost 91 and I believe the previous record is 94," Schmitt said. The wrestlers have also won 175 and had 11 draws.
In Tuesday's match, the Warriors lost only one bout and tied two. There were no pins.
The junior varsity won 3-1 to finish with an 11-2 record. Winners on pins were Rich Hoshorn (103 pounds), Lester Robertson (112), Jim Valiotti (138), Gary Eads (165) and Frank Jernigan (180).
Tom Shands (120), John Kozak (127) and Mike Genovese (145) took decisions. John Jernigan (154) had a draw with Rich Kostoff (95), Mike Andria (133) and Davey Bell (heavyweight) losing decisions.
The varsity summary:
GRANITE CITY 31
NORMANDY 7
95 pounds—Mike Reynolds GC over Steve Gray, 5-3; 103—Paul Lapinski, GC over Gary Jones, 4-1; 112—Steve Cavanaugh GC over Dave Kelly, 2-0; 120—Dan King GC over Pete Mannis, 12-2; 127—Mike Nichols GC over Paul Petrov, 4-2; 133—Tom Miosky GC over Ron Coleman, 3-1; 138—Walt Kahl N over Rich Grizard, 5-2; 145—Mike Mounice GC over Don Ginnola, 5-3; 154—Bourbon Stark GC tied Jamie Rosell, 1-1; 165—Ernie Kern GC tied Dave Mookel, 1-1; 180—Gary Forshoe GC over Ken Henderson, 7-1; heavyweight—John Evenden over Charles Chamberlin, 4-2.

Lincoln Plays In Home Finale

The home basketball finale is on tap for the Lincoln high school squad tomorrow night with Red Bud as the opponent. The Rams have a 3-9 record, with one of those victories over Red Bud—61-47 on Jan. 21. The local team will close the regular season with games Tuesday at Worden and Feb. 21 at Cairo Summer.

There should be no problem in dealing Red Bud, a second loss if sophomore Richard Jackson is up to the form he displayed in the Rams' last contest. He popped in 14 field goals, most of them on shots 23 to 30 feet in Lincoln's loss to Cairo Summer.

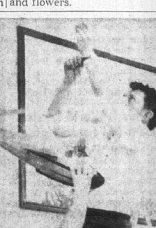

RICHARD JACKSON, leading scorer for Rams.

Jackson has taken over the team's scoring lead with 162 points in 12 games for a 13.5 average. Senior guard Calvin Dixon, the leader through most of the season, is second with a 12.9 mark and another sophomore, Percy Dillon, is third at 12. The only other Ram to play all 12 games is Dixon's twin brother, Alvin, who is averaging five points a game.
Although tomorrow night will be the final contest for the Rams at their gymnasium, they will play the Venice Red Devils in the district tournament later this month at Venice high school.

Both squads hold 6-3 records, with one game each remaining in the Western Division.
Top scorers for Bowland were Jerry Wintzen (17), John Draper (16) and Bud Gonnell (14). Paul Mosby had (15) and Larry Williams (10) for Sacred Heart.

In the other scheduled game, Dale's Barber Shop forfeited to Bowler's Trucking.
Boston Common, set aside 1834 as public property, ranks as America's oldest public park. In 1830, the city fathers drove off the cows and planted trees and flowers.

MORE ABOUT

Water At Port

(Continued from Page 1.)

There is no such prospect here where current is almost nonexistent.

Easy Docking, Unloading

Vessels that elsewhere have elaborate equipment for docking assistance can be moved about here with a minimum of help.

Instead of being partly loaded at midstream before being brought close to shore, barges are brought all the way to the local docks for a single unloading operation.

Driftwood does not plague ships at the Granite City port, a statement that cannot be made about many inland harbors.

While potential ice problems have not been fully eliminated, they are a threat of threat, but elsewhere. The locks immediately south of the canal harbor area provide at least partial control of the ice that forms during severe weather.

It will be recalled that the canal was built to eliminate a

cruising navigation problem. It became, in effect, a Mississippi River, although the river itself still winds to the west

of the locks, now closed to all traffic.

Only One Directly On Channel

The local port benefits not only from the fact that the canal and locks offer certain advantages in regard to current, depth variation, ice etc. It also is in the enviable position of being located directly on the designated channel.

The U. S. Army Corps of Engineers is required to maintain a navigable channel, and the Port of Granite City is the only one in this area located on an unchanging channel site.

All other docks are subject to the whims of nature in maintaining convenient access to the river channel, which has shown a tendency to vary. This is a major factor in the St. Louis low water problem that has been given added emphasis by the drought of 1963 and 1964.

Along the Mississippi River, as in the case of the Ohio and Tennessee Rivers, a nine-foot channel has been decreed. The drought has made this difficult to maintain in recent weeks. At St. Louis, the authorized channel width is 300 feet.

The Missouri River has a six-foot authorized depth. The St. Lawrence Seaway has a minimum depth of 27 feet, meaning that ocean-going vessels can come all the way to Chicago or will be able to as soon as a temporary depth problem there is solved.

Chicago, New Orleans Links
Only those ocean vessels with a draft of less than nine feet can continue on to Granite City, but the nine-foot channel does make possible excellent shipping operations between Granite City and either Chicago or the north or New Orleans on the south.

Canal and locks usage set a record in 1963 with a 29,823,587 tonnage total despite traffic-strangling ice in January and December. Vessels numbered 45,710 including 34,022 barges and 8266 towboats.

An all-time monthly traffic record was set in January 1964 despite the presence of ice.

Shipping handled by the Bi-State Development Agency terminal has reached a 600,000-ton-a-year level and is expected to top 800,000 in 1964.

New Harbor Facilities
Dedication ceremonies took place last month for a \$35,000 Bi-State expansion program that includes a 100-ton-an-hour bulk commodity unloading system, a 500-foot railroad trestle, a platform and storage area to increase freight transfer capacity, and doubled barge mooring space. The 900-foot wharf area operated by the agency includes a 400-foot public section, with direct truck and rail connections.

Immediately north of the Bi-State portion of the mile-long widened area of the canal, the Tri-City Regional Port District has installed an access roadway and plans to build a railroad line, docks and other facilities.

The Corps of Engineers last week awarded a \$1,695,500 contract for raising the height of walls at the 600-foot-long auxiliary lock to the same level as that of the 1200-foot main lock, increasing the flexibility and overall capacity of the locks.

EUB Church World Service Program To Feature Korea
The annual World Service day will be observed at Good Shepherd Evangelical United Brethren Church, 3025 National avenue, on Sunday with the Women's Missionary Society in charge of the morning worship service at 10:35.

City Sales Taxes Slightly Ahead Of Previous Year

Quad-City municipal sales tax revenue for 1963 is running slightly ahead of the record set in 1962, based on records through Oct. 31, the Illinois Department of Revenue disclosed this week. The tabulations require several months to complete.

The tally for the first ten months of the past year showed \$209,645 certified for return to local cities, including \$196,411 for Granite City, \$34,484 for Madison and \$8748 for Venice. At a similar point in 1962, the same figures were \$209,433, \$194,780, \$33,388 and \$8264. Grand total for 1962 was \$293,501.

The October 1963 sales tax figures, based on the half-cent-a-dollar city tax, are \$19,899 for Granite City, \$3293 for Madison, \$887 for Venice and \$24,180 for the Quad-Cities. The latter total compares with \$25,294 in October 1962.

Since July, some small tax payers have been filing quarterly or yearly sales tax reports in stead of monthly.

Bridge Traffic Up Over Same Month Year Ago

Traffic over the McKinley Bridge in January totaled 393,133, marking the first month of the 1963-64 fiscal year to top the comparable month of the previous year.

The 393,133 vehicles compare with 389,825 the previous month and 376,811 in January 1963. A breakdown shows 83,583 crossings in the first week, 82,114 Jan. 8-14, 90,484 in the third week of the month, 82,542 Jan. 22-28 and 44,440 during the final three days of January.

For the first four months of the fiscal year, which began Oct. 1, traffic has totaled 1,583,283, compared to 1,617,394 in the first three months of the previous year.

Daily traffic average in the month just ended was 12,681, lowest average since January 1963.

Chairmen Question Legality Of Engineer Appointment

Mayor Davis' method of selecting a city engineer was questioned by council members at a city council meeting Monday night. They suggested the correct title should be public engineer and challenged the legality of the appointment by letter, backed by the date of the regular council session.

The eight chairmen also heard suggestion by Alderman Samuel Whitmer that the city council holding "run-off" elections in conjunction with preliminary elections to prevent the election of officials by less than majority votes, and a report by Alderman Donald Partney on the proposed city plumbing code.

Monday evening's meeting in the council-chamber room was attended by eight aldermen—Partney, Paul Rutledge, Whitmer, Ford Johnson, William McGee, Charles Moellgen, G. H. Sternberg and Earl Thompson. The city engineer, not an unregistered engineer, and that it was hoped the city would insert advertisements for a full-time engineer prior to the start of the next fiscal year on May 1.

Qualified Engineers Here
Several said they knew of qualified engineers residing in Granite City, and added that no engineer or firm was being considered by the city.

Former Governor To Be Speaker At Conference

William Graham, president of the North Electric Co., Galion, O., and Cecil H. Underwood, Island Creek Coal Co., vice-president and former governor of West Virginia, will be among the speakers Saturday at a management conference sponsored by the St. Louis Area Council, National Management Association.

George Fuchs, 2124 Lindell Blvd., Granite City, who is president of the St. Louis council, the meeting is to be held at the Chase-Park Plaza Hotel.

A general assembly and workshop conference during the morning will be followed by a luncheon at which Nicholas P. Veeder, Granite City Steel Co. board chairman and president, will receive a "Gold Knight" industrial management leadership award.

Services For M/Sgt. Raub To Be Held Tomorrow

Funeral services for M/Sgt. David H. Raub, 40, who died Jan. 30 in Iran while he was stationed there with the Air Force, will be held tomorrow at a local funeral home.

arate engineer for motor fuel tax projects, Sternberg suggested the city might also consider the new plastic pipe, which while expensive now, is expected to become less expensive within a few years.

It was noted that copper and lead work could be done on the same to a builder. There are no objections to the use of copper for water lines. The present code permits the use of copper for drainage, also.

Partney said plumbers and plumbing contractors have been invited to attend next Monday night's council session when he plans to submit the code for first reading.

He also reported that the city planning committee, the City Plan Commission and any other aldermen interested are to meet at 1 p.m. tomorrow with the county planning and zoning committee and Nameoki township to discuss the zoning and inspection regulations by a city for a distance of 1½ miles outside the city limits.

Fire House Property, Appraised
Ford Johnson, chairman of the Fire and Water committee, reported that appraisals of property for the proposed new West Granite fire station have been received and will be reviewed

prior to next Monday night's regular council session. The city is considering purchase of a 10-foot strip of ground and replacing the present station on Cayuga street or purchase of a site on the Beckman farm along Rock road. Johnson said he favors the Beckman site.

He also said Assistant Fire Chief Curtis Donley is to study bids on a second emergency vehicle to be purchased by the Granite City Rotary Club and should have a recommendation for next Monday's council session.

The city's Fire and Water committee also is studying a fire prevention code and will have a recommendation to present to the council within a short time. Partney pointed out that with the code and the city's electrical and building codes a lower fire insurance rate classification

The chairman also discussed the lift station warning system, but he needs help if he is to keep up with his normal load of work. He said about 24,000 gallons of the traffic tickets in Madison county each year.

Auditor Checking Judges' Records: No Suspensions

County Auditor John L. Kraynak on Monday said the Madison county board of supervisors that he has no knowledge nor suspicion of irregularities but his office is conducting a complete audit of record and accounts of justices of the peace and police magistrates.

Kraynak, in a letter to the finance committee of the county board, said he is required by law to conduct the audit. He asks the county to allow sufficient funds to hire an accounting firm to assist with the audit.

It would suggest that the audit cover a period of two years, beginning Jan. 1, 1961, and ending Dec. 31, 1963. Kraynak wrote, "This would bring the accounting of these courts up to date. I would hazard a guess that outside audit would cost several thousand dollars."

He said the audit requires checking of the tickets to support receipts and disbursements.

Kraynak said he has been auditing the records of the justices since the first of the year, but he needs help if he is to keep up with his normal load of work. He said about 24,000 gallons of the traffic tickets in Madison county each year.

Arrested For Assault

Fred Bannister Jr., 25, of 1102 Logan street, Venice, was arrested at 5:55 p.m. Monday on an assault warrant alleging that he grasped the hair of Peggy Walker and hit her head against a refrigerator that day. He was released on \$30 cash bond until a hearing Feb. 22.

County Auditor John L. Kraynak on Monday said the Madison county board of supervisors that he has no knowledge nor suspicion of irregularities but his office is conducting a complete audit of record and accounts of justices of the peace and police magistrates.

Kraynak, in a letter to the finance committee of the county board, said he is required by law to conduct the audit. He asks the county to allow sufficient funds to hire an accounting firm to assist with the audit.

It would suggest that the audit cover a period of two years, beginning Jan. 1, 1961, and ending Dec. 31, 1963. Kraynak wrote, "This would bring the accounting of these courts up to date. I would hazard a guess that outside audit would cost several thousand dollars."

Kraynak said he has been auditing the records of the justices since the first of the year, but he needs help if he is to keep up with his normal load of work. He said about 24,000 gallons of the traffic tickets in Madison county each year.

Class In Portraiture To Start On Wednesday

A class in portraiture will begin Wednesday at the YMCA and will continue for 12 sessions. A cost of \$24 includes a portrait and materials and supplies.

The instructor will be Mrs. Bonnie Fuller, 1044 artist who has exhibited works in shows here and in Oklahoma, where she formerly resided. She has had a one-man show at the Granite City public library and is planning another soon.

An exhibition is planned at the end of the course, which will start with charcoal and pencil sketching and advance to pastels and oils. Registrations are being accepted by Mrs. Lee Platt at the "Y". Registrations also are being taken for a beginner art class to be taught by Mrs. Edith Maxwell in the near future.

Man Pleads Guilty
Louis Rigby, 1044 Cleveland blvd., was arrested by state police at 8:30 p.m. Monday on charges of driving without a license and without state license plates. He pleaded guilty to both charges Tuesday morning and the case was taken under advisement by Magistrate Gasparovic until Tuesday. He was held on \$250 property bond.

Snow, Ice Cause Twelve Collisions On Monday

Twelve traffic accidents occurred on Granite City streets Monday as snow and ice from remnants of a storm hampered motorists.

A car driven by Mrs. Pearl B. Jackson, 41, of 809 Jackson street, West Madison, skidded at 19th street and Madison avenue, jumped a curb, and knocked down a no-parking sign.

Cars driven by Oran C. Odum, 45, of 2400 Terminal avenue, and Margaret A. Kilroy, 2825 Forest Blvd., collided at St. Clair and Willow avenues. Both cars were damaged.

Three-Car Mishap
Three vehicles were damaged as the result of a skid at Pontoon and Namsok roads. They were driven by Wade F. Campbell, 30, of 14 Briarcliff, Clay A. Tindall, 52, of 2818 East 24th street, and Sherwin E. Martin, 38, of 2173 Harrison street.

Cars driven by Paul J. Boggs, 22, of 2608 Center street, and John Boyd, 41, of 4030 Vesic avenue, collided at 7:30 a.m. at 16th street and Grand avenue. Both were damaged.

Marion L. Moore, 41, of 2214 Illinois avenue, lost control of her car when it skidded into an auto owned by Theodore Sherfy, 2210 Nevada avenue, while it was parked in front of his home.

Auto-Bus Crash
A car driven by Robert F. Warren, 2649 Marshall avenue, skidded into the right side of a 11:50 p.m. bus on Leonard and Buxton avenues.

The Granite City police report said McDonald left the scene but that Pope went after him. He was released on \$500 property bond pending a hearing on Wednesday.

GC Kiwanis May Buy Law Pamphlet To Distribute
The possibility of distributing the pamphlet, "The Law and You," to young people was discussed by Granite City Kiwanis Monday at their weekly dinner meeting at the Rose Bowl restaurant.

Harry Marshall, president, said that the club first will seek approval from high school officials before it buys any of the pamphlets. Plans also were made by the 20 present for next week's meeting, which will have as a topic, article three of the Constitution.

Mitchell Kiwanis Select Sausage Sale Committee
A committee was appointed by the Mitchell Kiwanis club Monday night for its forthcoming sausage sale. Eight members attended the meeting at Art and Norma's cafe.

Arthur LaRose was named chairman of the committee. The club welcomed Ray Jurjula, a new member, Homer C. Allaway, a guest from East St. Louis, and their wives who were visiting.

Page Says -- 'LBJ' Stands For 'Let's Beat Johnson'

"LBJ" stands for "Let's Beat Johnson," Ray Page, state superintendent of the Republican Party, told the 400 persons who attended the Madison County Republican Lincoln Day dinner here Tuesday.

"On the state level prospects for victory look even brighter," Page said. "I have supreme confidence that Republican nominees will win a great many offices in the state this year, especially since we have so many highly qualified candidates running for office. Right now, though, we are the only state in the country run by a mayor."

Page listed what he thought were the most important achievements of Lincoln's tenure in the Presidency. Among them were the Homestead Act and the Land Grant Act, both passed during his administration, and the starting of the Department of Agriculture.

Chairman of the dinner, Roy Lynn, reported, "We had a full house and I don't believe we could have squeezed in more persons in at the Lincoln Place Community Center."

The dinner, which was hosted by the Women's Republican club of Granite City, was attended by all the Republican candidates for county offices.

William Stied, Belleville, chairman of the Republican Central Committee of St. Clair county and candidate for state attorney general, and Maurice Colburn, Chicago, auditor of public accounts candidate, were among the state party leaders present.

State Rep. Ralph T. Smith of Alton introduced Page while Randall Robertson, local attorney, gave a welcoming speech. The invocation was given by Rev. David Maxton, pastor of the First United Presbyterian Church, and Fr. L. J. Mattingly.

Two Youths Charged For Curfew Violations

Gary McGauley, 17, of 2218 Washington avenue, and Dan Lupatius, 17, of 3204 Terrace lane, were arrested at 2:05 a.m. Wednesday at St. Clair and Willow avenues on curfew violation charges. They were released on \$25 cash bail pending a hearing Feb. 22.

The arrests were made when police were called to the 3100 block of Ash avenue on a complaint concerning youths in a white convertible automobile.

Registration Continuing For First-Aid Course

A beginning first-aid course sponsored by the Tri-City Red Cross chapter will begin tomorrow, and prospective members may register next week as well as this week at the Red Cross office.

The instruction will be given by Mrs. Maxine Dunham, first-aid chairman, from 2 p.m. to 4 p.m. on five consecutive Fridays, beginning tomorrow.

Driver, 14, Arrested

Donna K. Wickham, 14, of 2333 Madison avenue, was arrested on a charge of driving without a license, and Robert W. Cable, 36, of 1317 Madison avenue, was charged with permitting an unauthorized person to drive after they were arrested at 10:10 p.m. Monday at 17th and State streets. Cable pleaded guilty. His case was taken under advisement until Feb. 18 and he was released on \$500 property bond.

James Sinnott Undergoes Heart Surgery Today

James M. Sinnott, 1517 Clark avenue, underwent open-heart surgery this morning at Jewish Hospital. Sinnott, a painter for Arthur D. Roseman, local contractor, was admitted to the hospital Sunday.

Sinnott had requested blood for the operation last month and, according to his wife, more than enough was received.

4-H Club Organized For Venice, Madison

A newly-formed Venice-Madison 4-H club met Tuesday evening at Lee Wright Homes and elected the following officers: Betty Williams, president; Wanda Silas, vice-president; Verna Boyd, secretary; Sandra Ghant,

reporter; and Marcelline Anderson, recreation chairman. The girls have selected the name V & M for their club. The boys and girls had been given enrollment cards at a previous meeting and the cards were returned at Tuesday's meeting with the signatures of the parents. All are enrolled in the food project and are studying "You Learn To Bake".

Mrs. Mary Knecht, assistant Madison county home adviser, was present and gave a demonstration on the making of drop cookies which were later served to the group.

Other adults present were Mrs. Pearl Heldner of Edwardsville and Gertha Lozier and Virginia Robinson of Venice.

Daughter Born To Former Resident

Rev. and Mrs. Ladislav Daye of Indianapolis, Ind., are announcing the birth of their fourth child, a daughter, Teri Suzanne, Feb. 5.

The mother is the former Violette Corday of Granite City. Rev. Daye is a Baptist minister.

3 DAY DISPOSAL!

OF OVERSTOCK CAUSED BY PEORIA FIRE

These are Just a Few of Our CONFIDENTIAL PRICE LISTS!

Friday, Saturday and Monday are the 3 big days for us to dispose of the excess stock transferred to Fredman Bros. in Granite City because of the fire that destroyed our store in Peoria. THIS IS NOT FIRE DAMAGED MERCHANDISE! Everything in the store was lost in the fire. This is all new merchandise that was ordered for Peoria but for which they have no room. We have remarked all odd lots and overstocks to the lowest price ever... many less than cost in an effort to clear our inventory. Use your good credit if short of cash, but don't miss this opportunity.

The Sunshine class of Second Baptist Church met Monday evening in the home of Miss Irene Broadway, 2019 Missouri avenue. The meeting opened with singing of the theme song, "Heavenly Sunshine," and opening prayer was given by Mrs. Ethel Cook.

Mrs. Evelyn Smith, teacher, gave the devotion. The group decided to give a donation toward the purchase of song books for the intermediate department. Closing prayer was given by Mrs. Florence Shaver and Mrs. Louise Mitchell. The next meeting will be in the home of Mrs. Frances Feldman, 3020 Ramona drive.

Others present were Mesdames Helen Broadway, Steffie Lizzhar, LeVene Finnell, Myra Grote, Esther Davis, Dorothy Barnes and Alay Richards, a guest, Mrs. Bundy, and Miss Lillian Broadway.

MRS. WATSON HOSTESS TO PROGRESSIVE CLASS

The Progressive class of Second Baptist Church met Monday evening in the home of Mrs. Deana Watson, 2125 Illinois avenue.

The meeting opened with the group singing the theme song, "What a Friend We Have in Jesus," and the Lord's prayer.

Mrs. Roberta Richardson gave devotion.

Reports were given by group captains. The project for next month will be to send a box to the Children's Home at Carlin.

The next meeting will be at the home of Mrs. Lena Garden, 1014 Pontoon road. It will be an afternoon meeting, and quarterly birthday celebrations are planned.

Closing prayer was given for all members of the class. Others present were Mesdames Winnie Tucker, Louise Daniels, Iva Biggs, Ruth Helton, Mina Dugins, Edith Wilson, Rose Harvell, Mathilda Harrison, Minnie Bolen, Dovie Chapman, Othella Nabe, Maude Beedle, and a guest.

teacher, Mrs. Naomi Rongey.

The Friendly circle class of Dewey Avenue Methodist Church met Tuesday evening in the home of Mrs. Grace Lensing, 2804 Washington avenue. Mrs. Viola Brooks was in charge of the meeting.

Opening prayer was given by Mrs. LaVerne Switzer. Roll call was answered with a Bible verse by each member. Devotions were led by Mrs. Gladys Potillo on "New Thoughts for Old" by Eleanor Stanley.

Others present were Mesdames Pauline Mahon, Robbie Donley, Madara Shaw, Lora Hancock, Virgie Seitle, Violet Miller and Lucy Testerman.

The Logan school PTA executive committee will meet at 7:30 tonight in the school faculty room.

JOINT VALENTINE PARTY

Virginia Wingo and Evelyn Owen Sunbams met at Second Baptist Church Tuesday afternoon for a valentine party. Virginia Wingo, six-year-old, enjoyed handicraft related to their home mission story, "Blue Flower," and Mrs. Betty Lewis told the second chapter, An Indian game was played.

The Evelyn Owen group met for its story with Mrs. Beverly Crown and Miss Bonnie Finnell.

Each one present had a valentine and red heart candy along with ice cream, cupcakes and punch. The cupcakes were furnished by the Naomi circle, in which there are about 10 ladies who have 20 children in the Sunbams.

Primary tables were covered with white paper and down the center was a white streamer with valentine greetings. Cupids decorated the department and each one present was given a valentine and red heart candy along with ice cream, cupcakes and punch. THE DEPENDABLES: SUCCESS CARS OF '64

The fuel is regular. The performance is premium.

Premium performance doesn't cost a nickel extra in a '64 Dodge. Because under that handsome hood lurks the largest standard engine in the low-price field (318 cu. in. V8). It doesn't cost you extra at the gas pump, either! Regular grade fuel suits it just fine. Dodge is as luxurious as it is lively. The Polara 2-door hardtop above, for instance, features a rich saddle-grain vinyl interior, a comfort-providing flip-down center armrest, foam seat padding, and thick wall-to-wall carpeting—all standard equipment. Yet it's priced right with comparable models of Ford and Chevrolet.

In all, there are twenty-two Dodge models to choose from. In three series. Each is a low-priced car. And each is backed by a long, strong 5-year/50,000-mile warranty.* You could easily pay more for such a fine automobile, but why should you? See your Dependable Dodge Dealer instead!

HERE'S HOW DODGE'S 5-YEAR, 50,000-MILE WARRANTY PROTECTS YOU: Dodge's 5-year, 50,000-mile warranty covers the engine, transmission, drive shafts, axles, suspension, steering, and brakes. It also covers the power windows, power locks, power mirrors, and power seats. And it covers the paint. So you can be sure your Dodge will look as good as it runs for 5 years or 50,000 miles. *See your Dodge Dealer for details.

Study Of County Jail By Citizens Proposed

A citizens committee may be appointed by the Madison county board of supervisors to conduct a study of the county jail in Edwardsville.
Replacement of the antiquated structure was recommended in a scathing report last week by the county grand jury. Members of the jail and new buildings committees of the county board met with Sheriff Barney Fraundorf Monday evening to coordinate plans on future action to be taken on the jail.

The citizen's committee, which may be formed at the Feb. 19 meeting of the county

board, is expected to recommend repair or replacement of the jail.
There are no funds appropriated in the 1964 county budget for a new jail building, but county officials have been discussing a possible referendum to be held in November.

Cub Scout Pack 122, sponsored by the Wilson PTA, held a campout during the weekend on the school grounds with Leaders Gene Buzan and Jack Melson. To raise funds for additional equipment and activities, the pack will begin emptying trash cans and collecting loose trash on Saturdays.

Those attending were Rex Buzan, Tommy and Ricky Smith, Keith and Mace Rodgers, Philip Melson, Tony and Randy George, Rich Aslin, Eddie Duke, Randy Ingram and Bob Harmon.

VALENTINE EXCHANGE
The Freewill Baptist Church ladies' club met Tuesday at the church, with roll call answered by members with a favorite Bible verse. Opening prayer was given by Mrs. Logsdon, followed by the hymn, "Victory in Jesus." Mrs. Rojena Millip, Mrs. Helen Chandler and Mrs. Ilene Hall gave reports.

Secret Pals expressed appreciation for recent gifts. The devotional prayer was given by Mrs. Hall, and a reading was given by Mrs. Bonnie Riley. A discussion on "Faith" was held, and dismissal prayer was given by Rev. Logsdon. Secret pals exchanged valentine gifts and agreed to meet at 7:30 p.m. Friday for "World Day of Prayers."

Attending were the above and Mesdames Elaine Stringer, Janice Arnett, Becky Shaffer and a guest, Mrs. Ann Aimes.

FEBRUARY WOMEN'S MEETING
The Good Shepherd EUB Women's Missionary Society met Monday evening at 2317 Wilson avenue, home of Rev. and Mrs. Bryan, with Mrs. Bryan, vice-president, opening the meeting.

Mrs. Tillie Little led opening prayer, followed by reports from Mrs. Virginia Rainwater and Mrs. Sue Hurt. Mrs. Bryan, February program leader, discussed "The City Challenges The Church."

Refreshments were served. Others present were Mesdames Mary Layton, Jessie Drury, Sandy Jones, Christine Hurl, Katie Walters, Josephine Matthews, Barbara Hesselndenz and Wanda Sherman.

Miss Little invited the club to her home, 2801 Dale avenue, for the March meeting.

CIRCLE SUPPER
The Dellah Jones circle of Suburban Baptist Church met Tuesday at 2920 Fortune drive, home of Mrs. Helen Peterson. A pot luck supper was followed by a short business meeting. The lesson, "His Pa and Grandpa" was given by Mrs. Eula Junk.

Present were Mesdames Jean Fisher, Ruth Bunker, Judi Sadler, Imogene Smith, Rose Luck, Norma DeVault and a guest, Carol LaVelle. Mrs. Ruth Bunker invited the group to her home, 2320 Lincoln avenue, for the Mar. 10 meeting.

About 40 persons attended, including representatives of the AFL-CIO-affiliated Fire Fighters organization from Belleville, Alton, East St. Louis and St. Louis.

ASCS Schedule Meetings On 1964 Grain Program

Three educational meetings to acquaint producers in the county with the 1964 feed grain program will be held next week.

Jack Langer, 69, Dies In St. Louis Hospital

Word has been received here the death of Jack L. Langer, 69, well-known area caterer who had operated Bush's Steak House, East St. Louis, and Club Prevue at its inception.

Mrs. Langer, who had resided at 2181 Pontoon road, with his wife, Sadie, had been in failing health with a heart ailment and died last week at St. Luke's Hospital, St. Louis. Burial took place Friday at Chesel Shel Epeth Cemetery, University City, Mo.

He was a native of New York City, and other survivors include three brothers, Julius of Brooklyn, N. V. Robert of Alliquippa, Pa., and Matt of S. Orange, N.J., according to officials at the Agricultural Stabilization and Conservation Service. One will be held Monday at the Madison Service Co. elevator in Alhambra, another Wednesday at the Community Hall in St. Jacob and the other on Thursday at the Farm Bureau building in Edwardsville. All meetings will start at 1:30 p.m.

The ASCS office is urging producers to sign up for the program during the dates designated for their particular township. Namekoi, Venice and Chouteau township sign-up dates are scheduled March 20 to 27.

Dental Society Announces Poster Contest Winners

Winners of the Tri-Cities Dental Society Poster Contest were announced yesterday by Dr. Albert Triant, president of the society.

Dr. Triant said top winners of group one of the contest, grades four to six, and group two, grades seven to nine, from Granite City, Madison and Venice were all presented with an electric toothbrush from the society.

The top three posters in each group from all three cities have been entered in the Madison District Dental Society's contest, which will award cash prizes to its winners.

The purpose of the contest, held in conjunction with Dental Health Week, was to get boys and girls interested in oral health.

Granite City's top three in each group were: group one, Jeffrey Wilkins, first place, sixth grade, Marshall school; Barbara Knapp, second place, and Marilee Krauslopf, third place, fifth grade, Dunbar school.

MORE ABOUT

Electric Rates
(Continued from Page 1.)

try to the territory served by Illinois Power Co., Mathias added.

Rate reductions to commercial stores — supermarkets and large stores — vary from one-tenth of a cent per kilowatt hour to as much as a half cent, depending upon monthly usage.

Medium-sized industries in the Quad-Cities also will benefit from the reduction, which is designed not only to benefit existing industry but to attract new industry. The amount of savings also will be based on usage.

Residential customers who use over 800 kilowatt hours a month will receive the rate for customers who use electricity for heating their homes.

This new rate provides electricity at 14 cent per kilowatt hour for all electric use from 9 p.m. to 7 a.m. Separate meters will be installed for the night periods. Mathias explained the house was selected since outside winter temperatures are lowest during that period and the firm's generating facilities are operating at their full capacity.

SOCIETY
St. Mary's PTA Socials Planned
A monthly meeting of St. Mary's PTA was held Monday evening with the president, Mrs. Geraldine Friend, opening the meeting, followed with prayer by the vice-president, Mrs. Frances Ratkiewicz. Thirty-four members attended and Mrs. Kathryn Butkovich was welcomed as a member.
Plans were completed for a social Mar. 1. Members were informed of a social to be held May 24 for the benefit of the Sisters of Divine Providence convent.
Miss Nina Dittman, school nurse, spoke and tentative plans were made to purchase an eye testing machine. Catholic nurses would volunteer their services for testing of pupils' eyes.
Volunteers were sought for a play and cake social to be held Friday in the school cafeteria. Mrs. Mary Ann Bank, Mrs. Winnie Sasyk, Mrs. Rosita Garcia, Mrs. Louise Papa and Mrs. Wilma Owca were the hostesses, and the meeting closed with prayer by Fr. Sylvester Mielke.

VALENTINE PARTY FOR JUNIOR LEAGUE
A Valentine party for the Junior League of the Granite City Mission was given Wednesday afternoon by Mrs. Alice McQuinn.
The children attending were Judy Wyman, Naomi, Judy, Kay and Debby Wicker, Ivan and O'Sullivan Winters, Steve and Regina Odom, Raymond and Kathy Riddle, Kathy Frost, Retha and Randy Fowler and Bertha Holbrook.
Prizes were awarded for games and refreshments of homemade cookies and hot chocolate were served.

SOCIETY Club Planning Hospital Party

The Thorngate Garden Club met Tuesday in the home of Miss June Markham. A buffet luncheon was served by the hostess, followed by a business meeting

conducted by the president, Mrs. Carolyn Moser. The meeting was opened with a reading by the chaplain, Mrs. Yvonne Guth, and roll call was answered with the names of articles or flower arrangements made during the last quarter.

Mrs. Mary Markham reported on work by volunteer members at the Alton State Hospital. Plans were made to have a party at Easter for patients at the Schilling, Ruth Wolf, a guest,

hospital. Tentative plans were made for the club to make a field trip to the Ozarks in May and a trip to New Salem in June. A white elephant sale was held with Mrs. Wanda Kincaid acting as auctioneer.

Members present were Mesdames Ida Hanfelder, Frances Williams, Beulah Miller, Mary Cokeran, Pat Polley, Clara Schilling, Ruth Wolf, a guest,

and those named the next meeting will be held Mar. 10. **MRS. AKEMAN RETURNS FROM EUROPE** Mrs. Sam Akeman, the former Mary Jo Wickham, daughter of Mr. and Mrs. Joseph Wickham, 227 Dogwood drive, who has been in Stuttgart, Germany, the past 18 months with her husband, a U. S. Army military policeman, arrived

home last night to visit her parents while awaiting the discharge of her husband in March. While overseas Mrs. Akeman visited many of the cities of France, Austria, Switzerland, and Italy. She was met at Kennedy Airport in New York by a cousin, Miss Virginia Humphreys, a nurse in the medical center there.

Parents Meet At St. Mark's The Parents and Friends Association of St. Mark's school met Tuesday evening. The president, Mrs. Evelyn Tolliver, conducted a business session and Mrs. Marlene Miller reported on a hat party held Sunday. The March and April meetings will be held on the first Monday of the month instead of the second. Plans were discussed for a ham and bacon social to be held March 22, with Mrs. Mary Dixon as chairman and Mrs. Eva Maurer co-chairman. A guest spoke to the group on new uniforms and hats for the girls. During a social hour refreshments were served to 23 members by the hostesses, Nadine Meehan, Rosemary Welch, Eleanor Scaturro, Lil Mangi and Pat Blubrey. The officers will be hostesses for March, and April hostesses will be Mesdames Luciano Foley, Mary Simmons, Barbara Burgener, Florence Durer and Tillie McGarrahan.

Eagles Auxiliary Valentine Party

The Eagles Auxiliary held a Valentine party in connection with the regular monthly meeting Tuesday evening.

Mrs. Helen Frenkel, president, announced an invitation to a state officers' meeting in Waukegan March 1. A contribution was made to the Chapel of the Four Chaplains. The members of the fund were made for the Heart Fund dance to be held Saturday with the Aeris.

A project is underway by the units to establish adequate air conditioning for the upstairs police hall. Co-chairman appointed were Joseph Kleish and Mrs. Rinda Brown.

Auxiliary members were urged to get their favorite recipes to chairman Eunice Kleish for editing a cookbook.

Mrs. Frenkel was escorted to the altar and presented with a Valentine gift from the group.

After adjourning refreshments were served. The members were seated at tables decorated with hearts and flowers and served by Mrs. Fay Briggs, social chairman, and her committee consisting of Mrs. Leona Deloys, Mrs. Ann Konek, and Mrs. Billie Koesterer. Heart shaped sandwiches and heart shaped cookies tinted a deep rose also carried out the Valentine theme.

Prizes in the game were won by Mrs. Frances Pasek, Mrs. Cora Burr, Mrs. Konek and Mrs. Deloys.

The Auxiliary will meet again Feb. 25.

Sorority To Aid Heart Fund Drive

Xi Epsilon Chi Chapter of Beta Sigma Phi sorority met last night with the president, Mrs. Lewis Rains. Mrs. Paul Ashford reported on the progress of the new sorority city council and announced plans for Founders Day in April.

Mrs. Rains distributed Heart Sunday packets to the members who are to serve as captains in the drive Feb. 23.

The cultural program, "The Privilege of Voting—How to Vote and a Citizen's Duty," was presented by Mrs. Ashford. Mrs. Harvey Edling spoke on "Civic Responsibilities, Both Local and National," and conducted a quiz on American history.

A Valentine exchange was held and the members were presented with gifts from the chapter. Mrs. Paul Triggall was awarded the evening's prize, and a Valentine luncheon was served to those mentioned and Mesdames Mike Lombardi, Jack Calve, Mealee Harper, Jack Tolliver, Leona Deloys, DeLoys, Dorothy and Miss Alice Holscher.

168 Traffic Deaths In State Last Month

January traffic deaths in Illinois totaled 168, according to provisional reports compiled by the Division of Highways and the State Highway Police.

During the 10-year period, 1953-62, an average of 136 traffic fatalities occurred during January. This year's January total was 32 deaths higher than the 10-year average.

The average number of traffic deaths during February in the 10-year period was 124. The number of years showing an increase and the number of years showing a decrease from January to February were equally divided during the decade. However, traffic fatalities happening in February last year exceeded the number occurring in January by 14, an increase of 12%.

Urban Planner Problem—A Rural Setting For Urban Life With No Shortcomings

Urban sprawl is an unstoppable development of the times which is much "cussed and discussed" but which can be directed with research, education and proper information, a Southern Illinois University visiting professor, Jean Gottman, stresses at Carbondale.

His talk was one of several given at a conference, sponsored by the SIU geography department, honoring Gottman, director of the Twentieth Century Fund Study of "Megalopolis" and University of Paris faculty member teaching at SIU this term.

City growth will keep going on and on, he continued. "A safe assumption is that within 25 years there will be more people as now will be living urban modes of life. The task ahead is to double all existing urban facilities within these 25 years. Only some unforeseeable and still more awesome catastrophe could stop or delay this trend."

Life in a nice one-family detached structure, surrounded by a piece of green and with easy access to the place of work is a common desire among the majority of Americans and people of other countries, Gottman said. The planner's dilemma is the citizen's dream to achieve a mode of life combining all the advantages of a rural setting and urban life and excluding all the shortcomings of both. "At the

same time he is reaching for land and heaven, for security and opportunity, comfort and excitement."

This makes for progress a no-sprawl, Gottman said, but it also leads to disorder and frustration. Urban problems probably could be managed better if many people did not believe big cities in cities is bound to breed ugliness and sin.

Reasons For Flight

"Too often we believe urban sprawl results from the flight away from the farms. It results probably as much, and in many regions more, from the flight of manufacturing plants and large warehousing away from densely built up urban districts, and from the outmigration of young families in search of living conditions that old urban districts have not tried to provide for them," Gottman said.

Many developments fostered by urban sprawl could be regarded as nice small towns just by being neighborhoods which enjoy some stability in area density and in the type of population, setting themselves off from their surroundings by some rules, a small amount of administrative autonomy and possibly a narrow "green belt" of land, Gottman said.

"This kind of smallness in urban scale spreads inside and around large, sprawling metropolitan areas. Homogeneity may

be provided by the racial origin of the community's people; by professional condition; by educational institutions; or by income level and social status.

"This is a different kind of club than the old small town where people were bound together by a common place of residence reflected in the tradition of living and working together in all kinds of social, trade and ethnic levels. This kind of town is waning and is being replaced by the suburban developments move skin to a system of segregated castles, to an integrated community. This is a disturbing trend," Gottman said.

His observations of urban trends and achievements in America and Europe have convinced Gottman that responsible governmental institutions have the necessary powers to plan and regulate the situation.

They could do more than direct and regulate it through taxation and credit policies, transportation regulation and subsidies, zoning, health and welfare laws which now are used, but they are reluctant to experiment because they doubt the situation warrants it, he said. They feel if the need is urgent, the public outcry will be loud, but the public does not cry loudly or because they do not positively know things could be helped and done rather easily.

City To Keep Paying Clerks Of Courts

City court clerks will continue to be paid by cities even though the clerks are now in the new state-wide unified court system. Involved are the clerks of the former city courts in Granite City—Mrs. Helen Homan—said in Alton.

The opinion was given recently by Illinois Atty. General William Clark in answer to a query by Madison county State Atty. Dick H. Mulder Jr.

"The opinion stated that the cities must continue to pay the clerks of their courts during the remainder of their elected terms."

Deadline Saturday For Displaying Plates

Illinois motorists have until midnight Saturday to mount 1964 license plates on their vehicles, Charles F. Carpenter, secretary of state, warned today.

Carpenter estimates there are still more than 50,000 who have not yet purchased their plates; however, registration is 100,000 over what it was at the same time a year ago.

The purchase of plates over the counter at Springfield is now the only sure way to obtain license plates in time for the deadline, according to Carpenter, and motorists not displaying '64 plates on their vehicles after the deadline will be subject to arrest.

Seven Girls Initiated Into Future Homemakers

Seven Granite City high school students were initiated into the Future Homemakers of America recently in a candlelight setting in the school apartment.

They are Betty Barron, Sharon Cory, Betty Eberhardt, Phyllis Hagnauer, Anita Norton, Brenda Schuerger and Pat Stalish. Refreshments were served.

Members entering in January and their mothers were welcomed. They will be initiated in May. They are Billie Bateman, July Barger, Pat Hoffman, Connie Isaac and Paulette McKel.

SWIU Drilling Well To Fill Reservoir

Well drilling operations are under way at the new Quad Cities-Edwardsville campus of Southwestern Illinois University to fill the school's reservoir.

The university has installed two lines in preparation for water usage, and one is an eight-inch pipe from the well to the unit of the Illinois Department of Public Health.

The second line, still under construction and not connected high school, Venice, from 1 to 2 to the well, will run through the 5 p.m. tomorrow, at Venice high campus to within 1 1/2 miles of school from 1 to 5 and 6 to 8 Edwardsville's water pumping p.m. Monday; at Madison high station at Poag. The new line school from 1 to 5 and 6 to 8 could be connected to the uni-p.m. Feb. 24; and at Granite university's own pumping station or City high school from 1 to 5 and onto the Edwardsville line. 6 to 8 p.m. Feb. 25, 9 a.m. to 12 p.m. Feb. 26, 1 p.m. Feb. 27 and 2 p.m. Feb. 28.

Mobile Chest X-Ray Unit To Give Tests

Chest x-rays will be offered to high school students and any person referred in writing by the family physician because of a suspected chest abnormality.

Tuberculin testing of all high school students has been done for the 1964 school year.

The industrial crafts shop at Granite City high school will enter an exhibit in a state-wide industrial arts convention Feb. 27-29 at the Chase-Park Plaza hotel in St. Louis.

The x-rays will be offered to any person, school employee or

otherwise, 30 years or older, shaper and a brake made by reactor to the tuberculin test and has attained the age of the average high school freshman, and any person referred in writing by the family physician because of a suspected chest abnormality.

The projects began months ago when drafting students drew plans for the machines. The pattern shop then fashioned patterns to cast the various parts, and the electric shop finished the project by attaching a motor.

At A. Witteberg, head of the industrial arts department, will be chairman of the convention, and all teachers in shop courses will participate. About 1200 persons are to attend.

The test battery is used to determine general knowledge and ability in mathematics, social sciences, natural sciences and English, and results are used as a guide in class sectioning, making scholarship awards and in counseling.

Advanced Mixed Chorus To Sing Before Group

The Advanced Mixed Chorus at Granite City high school will sing before the Illinois Vocational Association Feb. 28 at the Chase-Park Plaza hotel in St. Louis.

Selections will include "September Song," "All the Things You Are" and "I Hear a Voice."

A madrigal concert was presented at the school during an assembly by students from Marycrest and St. Ambrose Colleges under the sponsorship of the vocal music department.

Tryouts are being held for lead parts in the musical comedy "Lucky Day" to be presented in March by the Advanced Mixed Chorus. The play concerns trials and tribulations of the teenage set.

SWIU To Hold College Test At Two Centers

Southwestern Illinois University will administer the American College Test at 8 a.m. Saturday at its Alton and East St. Louis centers.

Students enrolling at SWIU for the first time under a classified program are required to take the test, and those planning to enter the spring quarter, March 25, are urged to take the test at this time.

The test battery is used to determine general knowledge and ability in mathematics, social sciences, natural sciences and English, and results are used as a guide in class sectioning, making scholarship awards and in counseling.

Workshops For High School Students Set

High school students can obtain classroom and practical experience in their choice of five fields of communications during four full weeks of workshop this summer at Southern Illinois University at Carbondale.

Set for July 5 to Aug. 1, they will be for students interested in speech, photography, theater, journalism and radio-television. It was announced by Mrs. Marion Kleinau, workshop coordinator.

She said letters will be mailed to students and brochures will be distributed and brochures will be distributed later in the month. Room and board, in Thompson Point residence halls on the campus, will be about \$90 for the four weeks. Only additional cost will be a \$12.50 registration fee, which covers entertainment.

State Traces 814 JPs, Magistrates For Payroll

(Special From Springfield)

The greatest manhunt in Illinois history took 12 investigators 36,231 miles, traveling into each of the state's 102 counties at a cost of \$14,541, locate 814 former justices of the peace and police magistrates.

All 814 are now properly filed on state payrolls as associate members of each Circuit Court in the district in which they reside or designated as having resigned.

The manhunt began early in December because the Illinois Supreme Court, under the revision of the judicial system, had to assume responsibility for paying all judges, including the former peace justices and magistrates who were formerly paid by counties and cities.

Some were still re-imbursement fees, a practice now forbidden by the new Judicial Amendment.

Assembled First Payroll The high court asked State Auditor Michael Howlett, Chicago, for his help because it did not have the investigators to assemble its first payroll, and was acquainted with administrative procedure.

An investigation had to be made to determine the rates of pay which had been fixed for the justices or magistrates by courts or cities. Also, some of them

World Day Of Prayer Service Tomorrow The World Day of Prayer service, sponsored annually by the Quad-City Council of Churches Women, will take place this year at the Mitchell Presbyterian Church.

It will be held at 7:30 o'clock Friday evening with the host church furnishing the music.

Dr. George A. Rosenthal of Belleville, a well known speaker in this area, will address the group on the topic, "Let Us Pray," and the various Protestant churches will take part in the service.

Mrs. Robert Boston is general chairman and Mrs. Nancy Mercer will be the pianist.

'64 Rambler Wins Mileage Test In Daytona Beach

J. E. Brewer, of Brewer Motor Co., 22nd street and Madison avenue, announced that a 1964 Rambler, scoring 34.8 miles per gallon, posted the best mileage among 56 cars entered recently in the Pure Oil Performance Trials held in Daytona Beach, Fla.

According to Brewer, the car was equipped with a six-cylinder engine and a manual transmission and he added that another Rambler American, this one equipped with an automatic transmission, placed third in the competition.

Historical Societies

To Get Discarded Records

Under a ruling of the Illinois Local Records Commission, the Madison County Historical Society is to have first claim for custody of any city records or documents that are to be discarded and discarded by microfilm.

Through an amendment to the authorization of last November for disposal or destruction of city records after filing, the state commission has made two additional reservations — that historical societies have the opportunity to take over any original records, they may desire to preserve and that the original negative of city microfilm be deposited in the state archives at Springfield for safekeeping.

1300 Persons Interviewed A report filed with Fred Taub, Springfield, chief accountant in the state auditor's office, by Herbert Lowry, Rock Island, chief investigator, stated that the 12 investigators talked to approximately 1300 people from Dec. 2, 1963, to Jan. 17, 1964.

The 12 investigators personally contacted 785 of the 814 former justices and magistrates and were able to get data on the remaining 29 by mail.

Of the 814 now properly payroll, 643 are from downstate counties and 171 are from Cook county. Total gross wages for 814 downstate will amount to \$129,002 a month for the state, and \$78,180 for the 171 in Cook county.

Madison County List Those former peace justices and magistrates located in Madison county, are:

George E. Mills, Berry and George E. Roberts, both of Alton; Andrew Gasparovic Jr., 2150 Edison avenue, Granite City; Squire Delmar Adams, Hartford; George W. Barnhart, Glen Carbon; John Brick, Madison; Ronald J. Daly Collinsville; Wesley Edwards, 818 Third street, Venice; Wesley W. Emde, Bethalto; William J. Hubbard Jr., S. Roxana; Charles D. Jackson, Troy; Homer H. Post Jr., Highland; William M. Truhand and Earl Louis Vaughtans, both of Edwardsville; Thomas J. Truhand, Livingston; and Oliver Wendell Vernon, Wood River.

Growth Is Primary Cause Of Air Pollution

Black smoke—once a symbol of prosperity—has lost its glamor as urban residents have recognized the undesirable effects underlying the shroud of soot particles.

The statement was included in the "Phase I" report prepared by the Interstate Air Pollution Study group that noted air pollutants are primarily a result of man's activities, trends in population, industry, commerce, utilities and transportation.

Growth of the Illinois-Missouri metropolitan area gives an insight into the severity of the air pollution problems that can be expected in the future with the overall two-state sections increasing in population by 19% between 1950 and 1960, and a 50% increase in the number of motor vehicles from 1952 to 1962.

The determinations of the study, being made under the supervision of the U.S. Public Health Service, show that the

primary fuel for home heating in the Illinois sector is coal which is more responsible for pollution than oil and natural gas combined, with the exception of nitrogen oxides. Coal is the major source of sulphur dioxide in the area.

The road use of gasoline accounts for a significant emission of carbon monoxide, hydrocarbons and nitrogen oxides. The report shows, adding that opening burning of refuse is a significant air pollution problem.

Rivers Cause Problem
A problem peculiar to the area, is the influence of the Missouri and Mississippi Rivers—right in the backyard of the Quad-Cities—on the formation of radiation fog when a shallow pool of cool air stagnates during the night.

A ten-year history of wind directions and speeds, both summer and winter, and other meteorological data available at the beginning of the project show that temperature inversions are fairly common in certain seasons. The stagnating condition allows air to remain for several consecutive days and results in sizeable build-up of all the intermixed area pollutants.

The Interstate Air Pollution Study group is looking to the new Southwest Illinois Metropolitan Area Planning Commission of Madison and St. Clair counties for a program to include air pollution abatement measures.

However, the study group mentions: "The complexity of the town, city, county and state governments, even the total number of such governments having jurisdiction in the area, have so far negated the possibility of an agreed common approach to the planning and zoning considerations of the air pollution problem."

The experts now are preparing report on public opinion, de-

spite a compilation of responses from 143 mayors and city clerks which showed about half did not believe that an air pollution problem exists.

Vegetation damage was to have been determined during the past summer but was impossible because of the severe drought damage.

The study group stressed that "one of the difficulties of any investigation, particularly in relatively unpopulated areas of scientific study, is the determination of the amount of data necessary to permit definite conclusions."

"The facts recorded by the Interstate Air Pollution Survey are reasonably representative of conditions which exist in metropolitan areas. Air pollution to the average person means something that he can see or smell; he has little interest in effects which do not directly concern his person or property."

"This fact is indicated very clearly in the records of complaints, the majority of which are about nuisances. Not unnaturally, particularly in the smaller and less heavily industrialized areas, public officials were not aware of any significant air pollution problem."

"Since the reduction of the major smoke problems, airborne particles have not been a major source of recorded public discomfort. The average dust fall during the spring season was 30 tons per square mile per month—about normal for similar areas."

"The highest average reading obtained of 132 tons per square mile per month included a single reading of 176 tons per square mile per month in specific areas." The heavy dust areas were not pinpointed.

SWIU Band Concert Set Tonight At Alton

Southwestern Illinois University Quad-City-Edwardsville campus band will present its annual winter concert at 8:15 p.m. today in the university gym at Alton. The public is invited without charge. Barbara Newhouse of Granite City will participate as one of the musicians.

Paul Price, principal percussionist with the American Symphony Orchestra in New York, will be guest conductor.

The program will include "Procession of the Valkyries" by Rimsky-Korsakov; "Hammersmith, Prelude and Scherzo, Opus 52" by Gustav Holst; "Española Rhapsody" by Emmanuel Chabrier; "Tunbridge Fair" by Walter Paton; "Isle's Love Death" from "Tristan and Isolde" by Richard Wagner; and "Bagatelles for Bass" by Vincent Persichetti.

The guest conductor will appear in some special works for percussion which will include "Prelude for Percussion" by Malory Miller; "Introduction and Allegro" by Jack Kilgore; "Cantata No. 1" by Lou Harrison; and "Toccata for Percussion" by Carlos Chavez.

The works will employ the sound of tom-toms, snare drums, wood blocks, triangle, marimba, bells, cymbals, cowbells, thunder sheets, gongs, vibraphone, chimes and timpani, as well as other percussion instruments.

Price will conduct a free clinic for area school students and teachers from 4:15 to 6 p.m. today in the Alton center auditorium.

Boy, 2, Recuperating From Lung Operation

One of the youngest veterans of lung surgery is Clinton Dale Blakeburn, two-year-old son of Mr. and Mrs. Clinton Blakeburn, 1609 Third street, Madison, who is recuperating from the operation at St. Elizabeth Hospital.

Hospitalized 12 times already, the youngster has contracted pneumonia on 11 different occasions. He was active and usually appeared to be in the best of health, but doctors determined that he would continue to be subject to increasingly severe pneumonia attacks until a rare lung abcess problem was corrected.

A third of his right lung was removed and it is believed that he is now on the road to permanent recovery. It has not been determined how long his current hospitalization will last.

He has become somewhat of an expert on hospital life, having been a patient here in Iowa and at the Cardinal Glenn Hospital and Children's Hospital in St. Louis. He celebrated his second birthday at St. Elizabeth Hospital Jan. 13.

He is one of five children.
